15 YEARS GUARANTEE

GORE™ TENARA® Sewing Thread will be delivered free from defects in material and workmanship and will not be damaged by exposure to sunlight, weather or water. W. L. Gore & Associates GmbH makes this guarantee for a period of 15 years after purchase to all owners of a product stitched with GORE™ TENARA® Sewing Thread.

This warranty covers the use of GORE™ TENARA® Sewing Thread in all applications for sun protection (e.g. awnings, shade sails) and marine applications (e.g. tarpaulins, boat awnings) but does not apply to boat sails. This warranty does not cover defects resulting from improper sewing, abrasion, cuts, fires and the like.

W. L. Gore & Associates GmbH will replace sewing thread failing to meet this warranty or, should you prefer, will refund the price of the defective thread. In addition, GORE will pay the reasonable and customary expense of a repair by an authorised dealer, if the seam was entirely stitched with GORE™ TENARA® Sewing Thread.

This warranty does not cover other costs that arise as an indirect result of the repair, such as transportation and installation costs.

This warranty does not in any way affect the purchaser's statutory rights.
